

**MARINA BAY NEIGHBORHOOD COUNCIL  
MEETING FOR MAY 20<sup>TH</sup>, 2009  
FORD BUILDING CRANEWAY, HARBOUR WAY SOUTH  
7:00 – 9:00 PM**

In lieu of the regularly scheduled meeting of the Marina Bay Neighborhood Council in May of 2009, the following meeting regarding the Marina Bay Landscape and Lighting Special Assessment District was held for the benefit of the community.

Representatives from the recently formed Marina Bay EL DAC (Landscaping and Lighting District Action Committee), a grass roots committee comprised of Marina Bay residents presented their detailed evaluation of the City's proposal for a Landscape and Lighting Maintenance Assessment District in Marina Bay.

The Master Development Agreement requires the Redevelopment Agency to provide a higher level of service and maintenance in our parks and trails than that provided in other areas of the City of Richmond. The Master Development Agreement expires on December 31<sup>st</sup>, 2009. In order to continue the same level of service to Marina Bay, the Redevelopment Agency is proposing an assessment district in Marina Bay. This is the third meeting with Marina Bay homeowners on this topic. This proposal must be voted on and approved by Marina Bay Homeowners (registered property owners).
