# OFFICER BRADLEY A. MOODY MEMORIAL UNDERPASS

MARINA BAY PARKWAY GRADE SEPARATION PROJECT

The Richmond Community Redevelopment Agency (RCRA) has been working on the development of the Officer Bradley A. Moody Memorial Underpass on Marina Bay Parkway between Mecker Avenue and Regatta Boulevard. The goals of the project are to enhance the safety of the community, decrease police/fire response times, decrease traffic delays and improve pedestrian and bicycle access to the Marina Bay District. Please join us at a Town Hall Meeting to review refined design alternatives and discuss scheduling, phasing and potential road closure options during the construction phase of the project. We need your input to move onto the next phase of the project. Please join us on August 23, 2010 from 6:00 to 8:00 p.m. in the Multipurpose room at 440 Civic Center Plaza to provide your comments and suggestions. We hope to see you there!
